## Greeting from REIC Edmonton Chapter President

Hello to my fellow REIC members. It is my distinct pleasure to serve as President for the upcoming term and I look forward to meeting with and hearing from as many members as possible. Please don't hesitate to stop me whenever or drop me a line if you have anything you would like brought forward for Board consideration. The Real Estate Institute of Canada is a superb organization promoting and elevating the level of professionalism in the real estate and property management industries.

I encourage every member to attend as many functions as possible as the business networking opportunities are many and the learning opportunities are not to be missed. It is always personally encouraging to me to see so many folks committed to professionalism in our industry, and even the opportunity to just have a short chat over a meal or a coffee makes my day.

Thanks to all the members for your dedication, and it is my wish that 2018 ends up a wonderfully prosperous year for you all.

It was a beautiful warm sunny day in Fort McMurray on April 27 when a number of our REIC members and guests gathered to partake in a luncheon. Yolanta Murphy CPM, ARM and IREM Council Chair hosted a luncheon at Earls Restaurant to allow our members to come together, network and share information. Yolanta made a presentation on the latest news from the Edmonton Chapter as well as an update from REIC National and IREM. An open conversation followed with discussions on the current economic and rental conditions in Fort McMurray, the on-going aftereffects of the recent wildfires and further REIC education/designation opportunities available.

We would like to acknowledge the Wood Buffalo Housing Corporation as a great supporter of REIC, education and designations in property management. Many of their staff have achieved ARM and CPM designations and continuing to see the value and the benefits to their organization,

clients and professional skill development of their staff. A special thank you to Kacper Obrzazgiewicz, Manager Tenant Services for joining us for the luncheon and his continued interest in REIC.

And a warm thank you to all our valued members in the Fort McMurray area for your support and membership with REIC Edmonton.
