

Vacancy – Independent Director/Trustee for Private Equity Real Estate Fund

Company Profile

Equiton is a fully independent private equity real estate company launched in 2014 with an exclusive focus on investment real estate. The firm focuses on a range of real estate investments and real estate property types – from established income-producing real estate through to value-added real estate development. The various strategies of the firm are tailored to the specific requirements of our partners' needs and to maximizing returns.

Role:

- Serve as an independent director (GP level) and trustee of a private equity real estate fund focused on multi-residential investing in Canada.
- Oversee governance of the fund and investor interests, including dealing with conflicts of interest (as required)
- Independent directors must have no conflicts of interest and pass background check

Candidate must possess:

- 20 plus years' real estate experience (especially income producing assets like multi-family)
- Operational experience and good understanding of the real estate investing space
- Good financial literacy
- Excellent interpersonal skills, willingness to learn and desire to provide support and assistance to the general partner
- Ability to think creatively and strategically
- Prior board experience an asset

Commitment:

- Prepare for and attend quarterly board meeting meetings, as well as, annual general meetings (no travel required)
- Sit on additional committees when required
- Deal with inter-quarter items as presented
- Time commitment of up to 25 to 35 hours per year expected.
- Independent members are compensated on a quarterly basis for their time.
