# CORPORATE SPONSORSHIP OPPORTUNITIES

A leader in advanced real estate education, the Real Estate Institute of Canada (REIC) is an association of professionals that has been educating and certifying individuals in real estate since 1955. The internationally recognized designations and accreditations offered by REIC are an excellent way for consumers, investors and portfolio managers to identify committed and experienced real estate professionals.

REIC courses, which can be taken as part of an Institute designation or as stand-alone continuing education credits, are the most well-respected and comprehensive courses offered for Real Estate Professionals across Canada.

Each of REIC's 2,000 members have extensive experience in their sector of the Real Estate Industry, proven by the successful completion of their accreditation studies.

**When it comes to Real Estate,  
REIC's members sell it, manage it,  
lease it and finance it!**

Every year, REIC invites its members from coast-to-coast to the Annual Meeting to participate in professional development programs and social events, acquiring in-demand skills while networking with their colleagues, suppliers and industry experts.

We invite you to be part of REIC's 2007 Annual Meeting in Ottawa, ON as one of our corporate sponsors. Your participation will allow our members to learn about your innovative products and/or services, while developing new partnerships with Real Estate professionals and associated businesses from across Canada.
