Real Estate Institute of Canada signs MOU with Brawman International Group to help further REIC Education

(Toronto ON) A business development trip to China will be the first step in helping to promote international relations after a Memorandum of Understanding (MOU) was signed between the Real Estate Institute of Canada (REIC) and the Brawman International Group.

REIC Executive Director, Maura McLaren and Joyce S.S. Zhou of the Brawman International Group signed the MOU yesterday during a meeting at the REIC National Office in Toronto.

The purpose of the MOU is to establish a working partnership between the two organizations and to promote increased global real estate business opportunities among member companies for both parties.

"REIC is always looking for new ways to branch out and get our education programs to new individuals and companies within the industry," explains McLaren. "Our agreement with Brawman is an important step in bringing the Real Estate Institute of Canada to a global level."

As part of the arrangement, Brawman - which is situated in Shanghai, will introduce education programs from REIC into China through the Shanghai Weston Real Estate Management Institute.

Cynthia Lai, FRI who was a driving force in securing this agreement during her tenure as Chair of the REIC Sales & Leasing Council, is pleased that the agreement has now been finalized, and she looks forward to leading the trip to China (please see attached trip itinerary) this upcoming October.

"This trip is an outstanding chance for Real Estate Professionals to network with both local and International members of the Real Estate Industry," states Lai.

While having an outstanding opportunity to network during this 11-day trip, participants will make stops in Shanghai, Nanning, Haikou, Macau and Hong Kong.

Anyone wishing for more information regarding the trip to China should contact Cynthia Lai, FRI at 416-939-8833 or through cynthia@trebnet.com
